**Treasure Hunt**

What a fantastic way to end a day of conferencing with the adventure hunt! Everyone was up and moving, and although some were hesitant, we all rose to the challenge as the competitive streaks came out! A really great activity to get everyone mingling and creating memories that last, so highly recommended. A special shout out to Brendan too, who even managed to organise the rain to come before and after our outdoor fun ...what a blessing ;)

For our corporate event, Brendan organised a forest walk, mineral water tasting and game of Kubbs for our group of 50. Everything went perfectly, and we couldn't have had a better experience. The weather was thankfully on our side, and was the cherry on top for our awesome walk. Massive thanks to Brendan, Beth and Bob for being fantastic guides - you absolutely made our conference one to remember!

We did a treasure hunt bushwalk for a group of nine. It was a whole lot fun in a beautiful setting. Through his professionalism and wit, Brendan did a great job making it an entertaining (& slightly competitive) activity from start to finish!

An absolutely fun team building activity! Brendan hosted our team of 9 for an evening adventure in the forest. It was the perfect amount of physical activity and problem solving to get our team into the right gear for the rest of the conference. Brendan was professional, helpful and more importantly, funny!

As a team looking to get to know each other better and understand each other's strengths, the Forest Walk Treasure Hunt was a fun and engaging activity! It was a lovely way to enjoy some fresh air, collaborate to find the markers and solve the clues along the way in order to open the safe at the end. Fun for all ages, and great as a team building exercise. Thanks Brendan - thoroughly enjoyed by all!

From my first email, Brendan was a delight to speak with and helped organise a great afternoon activity. Brendan explained the process and was very knowledgeable of the area.

We were in Daylesford for a staff retreat and after a morning of hard work, a beautiful walk around the lake with a bit of brainpower was well and truly needed!

We really enjoyed our treasure hunt and our calorie free chocolate frogs!!!

I recently booked the GPS Treasure Hunt at Daylesford lake as a corporate teambuilding event for our regional team. We were welcomed by Brendan on a beautiful day at the lake and he was extremely professional and knowledgeable. My team thoroughly enjoyed the treasure hunt and I would recommend it as a team building activity.

Thanks Brendan
