Corporate Team Building Event.

Brendan tailored a team building event to our timeframe and expectations. Our team of 11 enjoyed a 2.5 hour event that included mineral water tasting, outdoor Olympics, and to finish up a Kubbs game. Brendan was fantastic to deal with and very flexible with the program to not only suit our needs, but to ensure we could fit in a bit of everything during our event. Brendan was very knowledgeable about the local area and ensured all of our team enjoyed the event

Our team of 24 did the GPS Treasure Hunt during a work retreat, and it was the highlight of the weekend! Brendan and his team were incredibly organised and easy to communicate with beforehand, ensuring everything ran smoothly. We even enjoyed some mineral water tasting and learned more about Hepburn Springs as a bonus! Highly recommend this experience for anyone looking to build team spirit and have a lot of fun along the way!

Brendan hosted a great GPS Treasure Hunt for my team during our annual retreat in Daylesford. We all had an amazing time hunting down the beacons around the lake and really appreciated Brendan's local knowledge and enthusiasm. We'll definitely be doing it again in the future!

More than team building.

Our already amazing annual staff day was made even better with the addition of Secret Forest Walks activities with Brendan and team. It's a challenge wrangling a group of 75 people but the day went off without a hitch. Beautiful weather, friendly, knowledgeable and enthusiastic guides plus the amazing Hepburn backdrop made for a special day. Brendan is helpful, organised and very professional - highly recommend Secret Forest Walks for all groups big and small.

Our team really loved our time with Brendan and Bob, thanks for a great afternoon together! We did a guided "Bridges of Hepburn County" tour, water tasting, and team building / games. Everything was well organised, love that they came to us at the Hepburn Springs Peppers- no driving offsite required. The games were fun, and it was a great way to spend an afternoon together during a staff retreat.

Definitely recommend for workplaces looking to do some team building activities.

Staff team building

What a great way to fill in a couple of hours. Building staff relationships in the fresh air and beautiful surrounds.

Team Building fun

This was a great team building activity during our work conference in Daylesford. Brendan tailored it to suit our team on my request. A bit of fun while exploring the beautiful lake.

We were a group of 14 adults who thoroughly enjoyed our GPS treasure hunt around Lake Daylesford and surrounds. A fun way to explore the area and get some exercise!!

Brendan was a great host and organiser !

Everyone in our group joins me in recommending this activity!

Treasure Hunt

What a fantastic way to end a day of conferencing with the adventure hunt! Everyone was up and moving, and although some were hesitant, we all rose to the challenge as the competitive streaks came out! A really great activity to get everyone mingling and creating memories that last, so highly recommended. A special shout out to Brendan too, who even managed to organise the rain to come before and after our outdoor fun ...what a blessing ;)

For our corporate event, Brendan organised a forest walk, mineral water tasting and game of Kubbs for our group of 50. Everything went perfectly, and we couldn't have had a better experience. The weather was thankfully on our side, and was the cherry on top for our awesome walk. Massive thanks to Brendan, Beth and Bob for being fantastic guides - you absolutely made our conference one to remember!

We did a treasure hunt bushwalk for a group of nine. It was a whole lot fun in a beautiful setting. Through his professionalism and wit, Brendan did a great job making it an entertaining (& slightly competitive) activity from start to finish!

An absolutely fun team building activity! Brendan hosted our team of 9 for an evening adventure in the forest. It was the perfect amount of physical activity and problem solving to get our team into the right gear for the rest of the conference. Brendan was professional, helpful and more importantly, funny!

Great team building activity!

As a team looking to get to know each other better and understand each other's strengths, the Forest Walk Treasure Hunt was a fun and engaging activity! It was a lovely way to enjoy some fresh air, collaborate to find the markers and solve the clues along the way in order to open the safe at the end. Fun for all ages, and great as a team building exercise. Thanks Brendan - thoroughly enjoyed by all!

GPS Treasure hunt

From my first email, Brendan was a delight to speak with and helped organise a great afternoon activity. Brendan explained the process and was very knowledgeable of the area. We were in Daylesford for a staff retreat and after a morning of hard work, a beautiful walk around the lake with a bit of brainpower was well and truly needed!

We really enjoyed our treasure hunt and our calorie free chocolate frogs!!!

Great Team building activity

I recently booked the GPS Treasure Hunt at Daylesford lake as a corporate teambuilding event for our regional team. We were welcomed by Brendan on a beautiful day at the lake and he was extremely professional and knowledgeable. My team thoroughly enjoyed the treasure hunt and I would recommend it as a team building activity. Thanks Brendan.
